Tahmid Khan Sajid

Laravel Web Developer

tahmidkhansajid@gmail.com | 8801799863305 | Mirpur 1 Dhaka, Bangladesh

LinkedIn | GitHub | Projects

Summary

Results-driven Junior Web Developer with nearly 2 years of experience in the fintech industry, specializing in PHP, Laravel, JavaScript, and MySQL. Proven track record in building secure payment systems, API integrations, and AI-powered chatbot solutions. Skilled in developing functional backend features, integrating APIs, and contributing to reliable, high-performance web applications. Currently expanding frontend expertise in React, combining strong problem-solving abilities with a passion for delivering high-quality, user-centric solutions.
